

Dear valued guest,

On behalf of the organizers of the 2024 Global Forum, we would like to extend a warm welcome to you.

We want to give you some tips to plan your travel to Seinäjoki Finland.

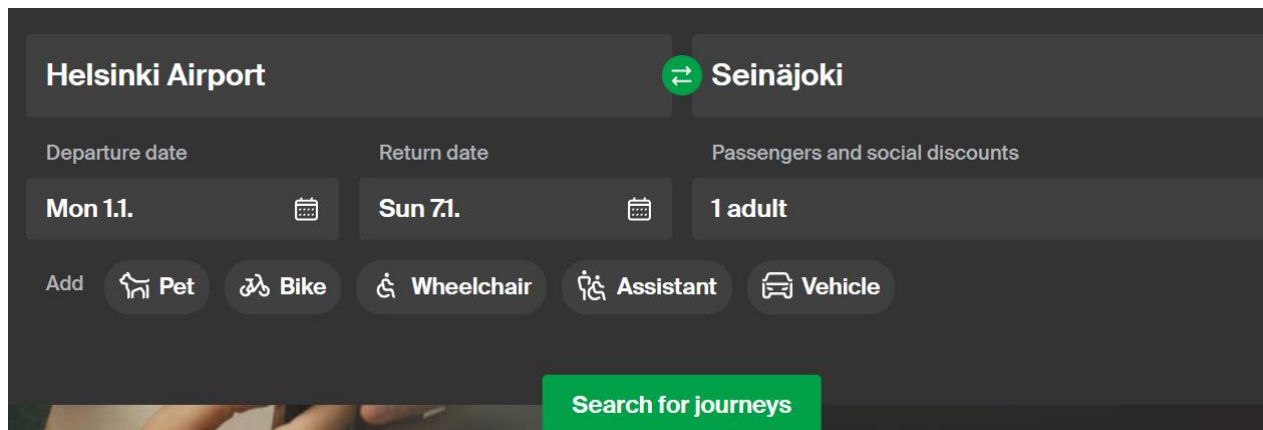

Travelling plan

The easiest way to get to Seinäjoki is to take a flight to Helsinki airport and then trains to Seinäjoki (3 hrs).

There are trains leaving from the airport. First take a commuter train forwarding to Helsinki/Tikkurila and change a train in Tikkurila to Seinäjoki. **Notice, the commuter train tickets for journeys later than 16th June are not available before May.** So we recommend to wait until May before booking the train tickets.

The other option is to book the tickets right now for the long distance train from Tikkurila to Seinäjoki and back. Then you can buy the commuter train ticket next to the railway platform using the ticket machine.

You can find timetables and book your tickets here [Welcome on a journey together with us - VR](#)

The screenshot shows a travel booking interface with the following elements:

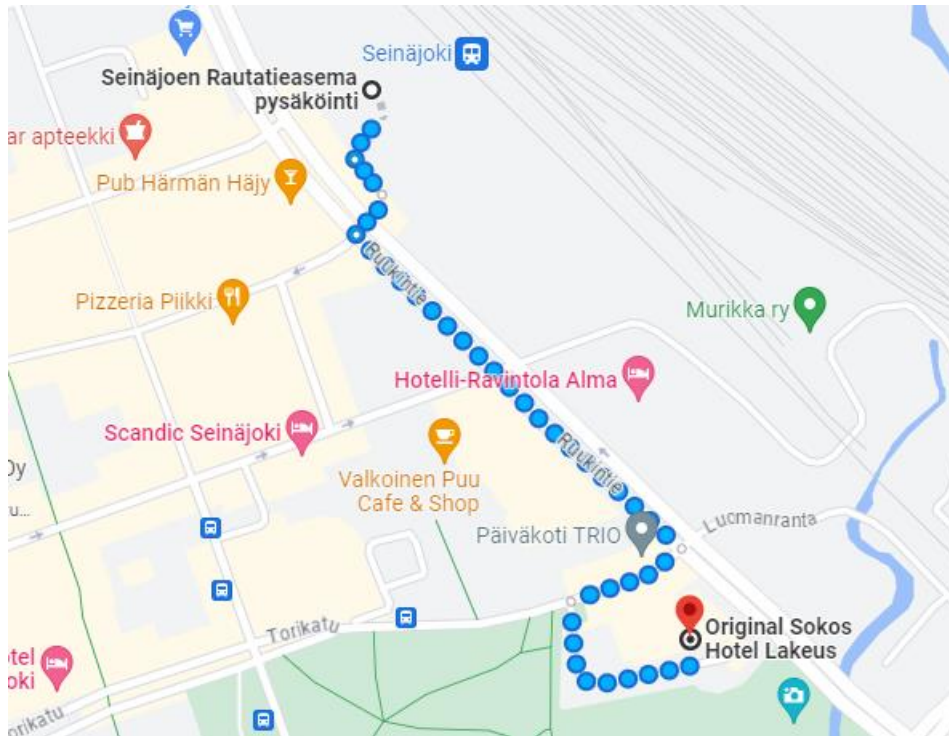

- Origin: Helsinki Airport
- Destination: Seinäjoki
- Departure date: Mon 1.1.
- Return date: Sun 7.1.
- Passengers and social discounts: 1 adult
- Options to add: Pet, Bike, Wheelchair, Assistant, Vehicle
- Search button: Search for journeys

If you need to stay a night at Helsinki, there are some hotels next to the airport. Scandic Helsinki Airport –hotel is the closest one (walking distance). If you need to spend few hours at the airport, you can book a rest space (4-7 hrs) <https://www.glohotels.fi/en/hotels/glo-airport>.

Your accommodation

We have planned your stay at a very nice and well located hotel in Seinäjoki, Sokos Hotel Lakeus (Torikatu 2, 60100 Seinäjoki). It is within a walking distance (500 m) from the railway station (Seinäjoen rautatieasema).

Weather

No matter it is summer time, you never know what you get. Temperature may range between +10 to +30°C. We suggest to check the weather forecast before packing.

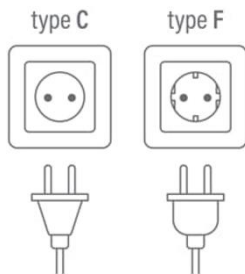

Dress code

The dress code for the conference is business casual.

Currency and devices

The currency used in Finland is Euros (EUR). Please notice, credit card or MobilePay are the most used payment methods. Money in cash is rarely used.

The plug type used in Finland is Type C and F, so you may need an adapter if your devices have a different plug type.
